Student Interns Improve School and Office Web Sites

Superintendent Dr. Jerry Weast reviews improvements made to the Gaithersburg Elementary School web site by summer interns working with the Web Services Team. The students, two from Quince Orchard HS and one from Watkins Mill HS, created new web sites for eight elementary schools, most of them Title I schools. The students also assisted several offices with their web sites. Examples of their work include:

- [A Student's Guide to Student Service Learning](#)
- [Clarksburg Area HS](#) | [East Silver Spring ES](#)
- [Georgian Forest ES](#) | [Glenallan ES](#)
